

6–10 September 2015

Ruhr-University Bochum • RUB Conference Center

16th European Conference on the Spectroscopy of Biological Molecules

Organizer

Professor Dr. Klaus Gerwert
Chair of Biophysics
Dept. of Biology and
Biotechnology
Ruhr-University Bochum

Invited Speakers

Malgorzata Baranska
Hugh Byrne
Max Diem
Peter Gardner
Rainer Hillenbrand
Bernhard Lendl
Ioan Notingher
Anthony Parker
Jürgen Popp
Gerwin Puppels
Markus Sauer
Heinz-Jürgen Steinhoff
Nick Stone
Vinod Subramaniam
Anthony Watts
Peter Wright
Xiaoliang Sunney Xie

Topics

- a. Time resolved FTIR Spectroscopy
- b. IR Imaging
- c. Time resolved Raman Spectroscopy
- d. Raman/CARS Imaging
- e. Biomolecular Simulations
- f. Markerfree Diagnostics
- g. UV-Vis Spectroscopy
- h. Fluorescence Spectroscopy
- i. NMR Spectroscopy
- j. Near Field Spectroscopy
- k. ESR Spectroscopy
- l. Super Resolution Imaging of cells
- m. Bio-Medical Spectroscopy

The conference will include plenary talks, short talks selected from submitted abstracts and poster presentations.
